Agenda Thursday, June 15 th		
7:30 - 8:30 a.m.	Breakfast <i>Atrium</i>	
8:30 - 8:40 a.m.	Welcome	Janelle Murray, MPH Michigan Primary Care Association
8:40 - 11:50 a.m. (Break included)	Foundational Concepts and Tactical Planning of Integrated Primary Care Behavioral Health <i>This session will provide an overview of an integrated care practice while addressing administrative, operational, clinical, and financial components of an integrated care practice model. The relationships between each of these components and specifics about how to build an effective integrated care team will be explored.</i>	Eboni Winford, PhD, MPH PhD, MPH Director of Research and Health Equity, Licensed Psychologist and Behavioral Health Consultant Cherokee Health Systems
11:50 a.m. - 12:50pm	LUNCH <i>Atrium</i>	
12:50 - 4:00 p.m. (Break included)	Identifying and Addressing Health Disparities in Integrated Care <i>This session will review key components of primary care that guide integrated primary care behavioral health and ways to use these key components to identify health disparities. It will also discuss pros and cons of using “traditional” quality metrics such as HRSA’s UDS measures to demonstrate change in health disparities and overall organizational change. We will also engage in brainstorming to identify metrics that would best reflect measurable factors that contribute to health equity advancement.</i>	Eboni Winford, PhD, MPH PhD, MPH Director of Research and Health Equity, Licensed Psychologist and Behavioral Health Consultant Cherokee Health Systems
4:00-4:35 p.m.	Coleman Associates	Amanda Laramie Chief Operating Officer, Trainer, Coach Coleman Associates Adrienne Mann, BSN, RN RN, Trainer, Coach Coleman Associates
