

# Health Centers Deliver Value

The following data reflects MPCA Member Health Centers who receive 330 funding.

## THEIR DOORS ARE OPEN TO EVERYONE

Last year, Michigan health centers served over 683,234 patients, including:

**12,302**  
are  
veterans

**182,368**  
are  
children

**265,190**  
live  
in poverty

**36,050**  
are  
homeless

Most Michigan community health center patients are uninsured or publicly insured:

## HEALTHY PEOPLE SPELL A HEALTHY ECONOMY

Michigan health centers don't just put people back to work, they also **CREATE JOBS** and generate cost savings.

 **6,693**

Michigan health centers employ 6,693 people of all skill and education levels.

 **\$612**

Michigan Health Centers **save** Michigan's Medicaid program \$612 per beneficiary per year.

 **\$171 million**

Estimated savings Michigan Health Centers generate annually to Michigan's Medicaid program.

 **\$2.7 million**

In 2024, staff at Michigan Health Centers provided more than **2.7 million patient visits**, both in clinic and virtual.

 **\$51**

Services provided by Michigan Health Centers to adult Medicaid beneficiaries cost **\$51 per member per month less** than those provided by other providers.

## COVERAGE EQUALS CARE

PREVENTIVE, INTEGRATED CARE offered by Michigan health centers makes it easier to catch problems early — when they're easier and less expensive to treat. Community health centers are also on the **FRONT LINES** of the opioid epidemic, providing evidence-based treatment to support recovery.

**1,672,520**  
Medical  
services

**462,076**  
Dental  
care

**412,166**  
Behavioral  
health

**47,345**  
Substance use  
disorder treatment

**34,121**  
Vision  
services

**83,434**  
Enabling  
services

(e.g., transportation, translation, health education)
