

**SUPPORTING MICHIGAN  
HEALTH CENTERS**

# **Sponsorship Opportunities**

**2026**

# About Us

The Michigan Primary Care Association (MPCA) advocates to influence and advance health policy in Lansing and Washington, D.C., foster collaboration among health centers and with external partners, and support health centers in the continuous pursuit of high-quality, patient-centered services.

Our members are consumer-driven, patient-centered local health care organizations that provide care to people who live in medically underserved areas. Their services are tailored to fit the unique needs of the communities they serve, and their mission is simple: provide high-quality, affordable, and comprehensive medical services to everyone—regardless of who they are, where they come from, or their ability to pay.

# Annual Sponsorship Benefits

Position yourself as an industry leader and health center advocate

Increase your reach and exposure to new health center customers

Increase your organization's name and brand recognition

Reconnect and engage with existing customers throughout the year
